Opendoor continues commitment to transparency with video livestream and shareholder Q&A

SAN FRANCISCO, April 16, 2026 (GLOBE NEWSWIRE) -- Today, Opendoor Technologies Inc. ("Opendoor") (Nasdaq: OPEN) announced that it will report first quarter 2026 financial results for the period ended March 31, 2026 following the close of the market on Thursday, May 7, 2026.

Modernizing Investor Access

On May 7, 2026, management will host our Financial Open House video livestream at 2:00 p.m. PT (5:00 p.m. ET) to discuss the company's business and financial results.

We believe in building in the open. The Financial Open House replaces the traditional earnings conference call with a video event, including a live segment for shareholder Q&A.
