Item 7.01 Regulation FD Disclosure

In light of recent Federal Deposit Insurance Corporation action and market volatility, we wanted to provide insight into our liquidity and capital resources. Opendoor Technologies Inc. held less than 1% of our total cash, cash equivalents and restricted cash at Silicon Valley Bank (“SVB”) and our critical business operations were not run from SVB accounts. As of March 13, 2023, approximately 98% of our total cash, cash equivalents and restricted cash is held at the nation's four largest banks.

Our asset-backed credit facilities are provided by a diversified base of lenders and have staggered scheduled maturities. All of our asset-backed credit facilities continue to operate consistent with the terms of the facilities as detailed in our most recent Annual Report on Form 10-K.

The information contained in this Current Report on Form 8-K is furnished pursuant to Item 7.01 and shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that Section, nor shall it be incorporated by reference into a filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
